

## Sioux County Conservation Board Nursing Home Programs 2017-2018

Each year our EE staff creates two different tracks so each member can visit all those who have requested a monthly program. Below are this year's tracks. The programs between tracks are very similar.

### Blue Track

September	Monarchs
October	Birds of Prey (live falcon)
November	Live animals
December	Birds
January	Winter Adaptations
February	Trapping and Furs
March	New Zealand Birds
April -August	none

### Green Track

September	Monarchs
October	Live Animals
November	Birds of Prey (live falcon)
December	Winter Adaptations
January	Birds
February	New Zealand Birds
March	Trapping and furs
April	First Signs of Spring
May-August	none
