If this is a gift, indicate the name of person to honor: _____

Make checks payable to:
Sioux County Conservation Foundation
Or "SCCF"

Volunteer

Did you know, when you volunteer at the Prairie Woods Nature Center you can sign up to help on different teams? We have an Animal Care group which help us with the general up keep of the animal's enclosures. Training for this position is required. For more information, and an application form, visit our website siouxcountyparks.org/support.

About the Animals

The Sioux County Conservation Board houses a variety of resident animals at the Prairie Woods Nature Center in Oak Grove Park. Each animal has its own story. Some are permanently injured, others are unable to be released for various reasons. We do our best to replicate a natural life for them. This means providing them with a healthy diet, vitamins, housing and exercise that mimics their natural environment.

Why do we have them? The animals are used for education programs with schools, summer camps, nursing home, libraries, public programs etc. They help us teach things like animal coverings, animal groups, endangered animals, genetics etc. When they are not involved in a program they are on display for visitors. They are apart of our education team!

Animal Programs

We occasionally offer public feeding programs with our animals. This could include offering food to our snakes, turtles or amphibians. We cannot guarantee they will always be hungry, but you never know! Watch our Facebook page for these programs.

During the summer months, we host pop up animal programs in our campgrounds. These will feature facts about the animals with the possibility of public interaction as well. Flyers with details will be posted in the campgrounds.

Sponsor an Education Animal

This sponsorship program will assist us in the cost of feeding and caring for these animals. Money will pay for food, bedding, vitamins, special UV lights and other supplies needed for their care. Animals are sponsored at the beginning of the year.

If you are interested in participating in this program. Please detach the form on the right, fill it out, and send it in. If you have any questions, please email conservation@siouxcounty.org or call 712-552-3057.

Sponsors will receive:

- Sponsorship certificate
- Photograph of animal(s)
- Informational fact sheet
- Name displayed at Nature Center
